INTERNATIONAL STUDENT SCIENTIFIC COMMUNICATIONS SESSION

„BLACK SEA STUDENT SYMPOSIUM”

4th EDITION

25th-28th MAY 2023

PLOIEȘTI, PRAHOVA

THURSDAY, 25th MAY 2023 - 1st DAY

10:00 – 15:00 - The official opening of the "**BLACK SEA STUDENT SYMPOSIUM**" will take place at the Petroleum-Gas University of Ploiești, AP9 Hall, and live on the [Facebook Page](#) of the Faculty of Petroleum and Gas Engineering

Black Sea Student Symposium is an exciting opportunity for students to come together and share their research and knowledge, learn from one another, and network with industry professionals.

During the event, attendees will have the opportunity to hear from representatives of various companies who will be giving talks about their work and opportunities for students in their respective industries.

Throughout the day, there will be coffee breaks in between sessions, giving attendees the chance to recharge and network with one another.

After lunch, there will be a panel discussion with the theme "**The Curious Minds: A Panel Discussion for Students.**" The panelists will discuss topics related to the future of the energy sector, career paths, and the importance of curiosity in the field. This will be an interactive discussion, with plenty of time for questions from the audience.

BLACK SEA STUDENT SYMPOSIUM

INTERNATIONAL SESSION OF SCIENTIFIC STUDENT PAPERS

5TH EDITION

18TH - 20TH APRIL 2024

PLOIESTI, ROMANIA

INTRO

Dear Participants,

The SPE Petroleum-Gas University of Ploiesti Student Chapter and the Faculty of Petroleum and Gas Engineering within the University of Petroleum-Gas of Ploiești are delighted to invite you to the 5th edition of the Black Sea Student Symposium (BSSS).

The symposium brings together experts from the Energy Sector & Oil and Gas Industry from all around the world, as well as the competition of communications and scientific papers made by students.

The main purpose of the event is to encourage students to contribute to solving the current challenges of our industry through research and technical development, scientific analysis and documentation based on research and field application!

At the 5th international edition, we believe this will consistently represent another step towards stronger cooperation among international students and also a significant way to exchange scientific knowledge, with the sole purpose of improving technical and professional competence.

Sincerely, BSSS 2024 Organizing Committee.

ABOUT BLACK SEA STUDENT SYMPOSIUM

The Black Sea Student Symposium will be held at the Petroleum-Gas University of Ploiesti.

This international event serves as a platform for students to showcase their research, network with peers and industry professionals, and expand their knowledge in the field of PETROLEUM, GAS, and ENERGY.

Students are engaging in presentations of papers covering various topics, participating in discussions, and exchanging ideas.

The Symposium offers students a valuable opportunity to gain exposure, build connections, and enhance their understanding of the industry.

Dear Participant,

The SPE Petroleum-Gas University of Ploiesti Student Chapter and the Faculty of Petroleum and Gas Engineering within the Petroleum-Gas University of Ploiești are delighted to invite you to the 6th edition of the Black Sea Student Symposium (BSSS).

This international event brings together professionals from the energy sector and students eager to present their research and ideas. BSSS serves as an excellent platform for scientific discussions, knowledge exchange, and networking with peers and industry experts. The primary goal of the symposium is to inspire students to explore and address the key challenges in the petroleum, gas, and energy industries through technical research and development.

As we celebrate this milestone, we strive to foster stronger collaboration between students and the energy industry, creating new opportunities for innovation and professional growth. By participating in paper contests, engaging in technical discussions, and exchanging scientific knowledge, you contribute to shaping the future of the energy sector.

We are excited to welcome you and look forward to taking significant steps toward strengthening international collaboration, advancing expertise, and driving innovation in the industry.

Sincerely,
BSSS 2025 Organizing Committee

ABOUT BLACK SEA STUDENT SYMPOSIUM

The Black Sea Student Symposium (BSSS) is an international event hosted at the Petroleum-Gas University of Ploiesti, bringing together students and professionals from the energy sector.

Through technical paper and poster contests, networking sessions, and expert insights, BSSS fosters innovation, collaboration, and professional growth.

Now in its 6th edition, the symposium continues to bridge the gap between students and the energy industry, shaping the future of energy through research and development.
